EVENT POLICIES:

Content Theme: Our theme for this year's convention theme is "Where Structure Meets Function" which is a nod to the osteopathic tenet "Structure and function are reciprocally interrelated." Presenters have been asked to address their topics with this lens in mind.

Meeting Goals & Objectives: The overall objectives of this program are to 1. Highlight the evidence of new, revised, and standard approaches, guidelines and tools for screening, diagnosis and treatment for a variety of medical conditions as it pertains to medical practitioners in various specialties, with an emphasis on primary care. 2. Encourage & demonstrate the integration of osteopathic philosophy and principles into the practice of medicine; particularly the tenet that "Structure and function are reciprocally interrelated", and 4. Provide information and tools related to professionalism, teamwork, communication and ethics to help physicians and other clinicians improve their practice of medicine. Each CME topic has its own set of learning objectives, which will be made available to registered attendees.

DISCLOSURE AND CONFLICT OF INTEREST RESOLUTION: All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Certificate of Attendance: To claim CME and access your CME certificate, attendees will need to complete an evaluation for each session attended in person or online via the virtual conference platform.

Disclaimer: The information in this educational activity is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition. The viewpoints expressed in this CME activity are those of the authors/faculty. They do not represent an endorsement by the MOA. In no event will the MOA be liable for any decision made or action taken in reliance upon the information provided through this CME activity. This event may be supported by independent educational grants from commercial interests. Complete information will be provided to participants prior to the activity. Conflict of Interest Disclosures for individuals in control of content will be provided prior to the start of the activity.

MOA Grievance Policy: All grievances should be initially directed in writing to the MOA Director by email to: info@mainedo.org who will share them with the MOA's Program Committee. Grievances will receive a response within 30 days of receipt. If you do not receive a satisfactory response, you may notify the Council of Continuing Medical Education, AOA, 142 East Ontario St., Chicago, IL 60611.

Hybrid Conference Details: This conference will be held in person June 14-16th, 2024 with additional online, on demand content available via a virtual platform. Some content may be available in person only and will be clearly advertised as such. Access to in person session recordings will be made available post-event for all attendees and continue until July 17th, 2024. In person CME content will be livestreamed for virtual participation, unless otherwise indicated.

CME ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Osteopathic Association (AOA) and the Maine Osteopathic Association (MOA). The AOA is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT HOURS:

The American Osteopathic Association designates this blended activity for a maximum of 20.00 AMA PRA Category 1 Credit™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

The Maine Osteopathic Association is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Maine Osteopathic Association designates this program for up to 21.0 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Applications for other credit types are pending.

Registration Fees:

Regular Registration Rates April 16th- June 5th:

MOA Member \$570

Non Member \$770

Students, Residents, Interns etc. in training --Complimentary

Late or Walk-in Registrations after June 5, 2024 will incur an additional \$50 admin fee.

Registration Procedure: To register for the conference, complete the registration form and return it to the MOA office: P.O. Box 315, Manchester, ME 04351 with the proper registration fee. Registration may also be completed online at www.mainedo.org or the form may be faxed if paying by credit card to 207-623-4228.

Cancellation/Refunds: If you must cancel, please notify the MOA in writing. A \$50 cancellation fee applies if canceling on or after May 17, 2024. No refunds will be provided after this date.

Maine Osteopathic Association 113th Annual Convention: June 14-16th www.mainedo.org/moaconvention2024

Special Needs: If you or your guest have concerns about accessibility or other accommodation needs such as dietary restrictions or food allergies, please indicate your needs on the registration form so that appropriate accommodations may be made, or contact MOA at 207-623-1101.

Health & Safety: The safety of attendees is our top priority. MOA will continue to monitor local, state, and federal guidelines and work with the conference venue to comply with any relevant health & safety measures. It is assumed in-person attendees are vaccinated and asymptomatic. Should any additional safety measures be determined necessary by MOA, attendees will be notified.

Venue Details

The Samoset Resort -- 220 Warrenton Street, Rockport, ME 04856

Perched on 230 waterfront acres overlooking Penobscot Bay, the Samoset Resort is a Maine vacation resort with a rich history that dates back to 1889.

Resort Website

Parking: There is ample free self-parking at the resort. Valet service is also available.
